

REMARKS

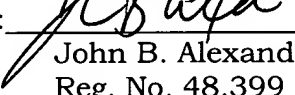

The purpose of the foregoing request for Amendment under 37 CFR 1.312 is to correct an error made in presenting the claims in a November 24, 2003 Amendment accompanying a Request for Continued Examination, a copy of which is attached hereto. In the Amendment After Final, on page 9, a typographical error was inadvertently incorporated into claim 8. Claim 8, however, had not marked as being amended and had not been amended by a prior amendment, a copy of page 50 of the application as filed is attached hereto.

The herein amendment to claim 8 puts the claim in its original form.

The Applicants believe that no additional fee is required for consideration of the within Amendment. However, if for any reason the fee paid is inadequate or credit is owed for any excess fee paid, you are hereby authorized and requested to charge Deposit Account No. **04-1105**.

Respectfully submitted,

Date: February 4, 2004
